I Wanna Go Back To Tamarack

We feel the same whenever we watch the summer's silent start
When the chillin' winter wind is gone and the breezes take its part
We get lonely for our summer stop, our home away from home
Leave the city's noisy streets for the sound of Stoneleigh Road

We can hear the campers laughing far across the open field
The warmth of our surroundings keeping nature's secrets sealed
We can lie down on the bleachers with the sun's rays on our face
It feels so good to finally know the happiness of this place

Chorus: Tamarack
I wanna go back
Without my paddle and my skis
I'm on the wrong side of the tracks
Tamarack
I wanna go back
Get my Mommy on the phone
Howards please don't make me go home

As we watch the sailboats sailing in the middle of Duck Lake
It seems like all the scenery is there for us to take
It's more than just the sunshine and it's more than just the air
It's the season and the people and the moments that we share

When the wind starts getting colder and the cabins all are bare
We hope that we don't have to wait for long before we're there
The day will come when we all have to go our separate ways
This song will still remind us of those happy summer days

Chorus: Tamarack
I wanna go back
Without my paddle and my skis
I'm on the wrong side of the tracks
Tamarack
I wanna go back
Get my Mommy on the phone
Howards please don't make me go home
